

EGYPTIAN COUNCIL LEADERS complete plans for State-wide Boy Scout campaign being launched on Oct. 15. All of the councils in Illinois are being coordinated in effort to raise funds for 1958 under the direction of Gov. William Stratton as State chairman. Shown above are some of the area leaders who put the finishing touches on the program Monday evening. They are, from left to right: Kenneth Avis, Marion, district chairman, Pyramid District; Dr. R. C. Steck, Anna, district chairman, Delta District; and David Flota, Harrisburg, campaign chairman, Sahara District.

To Arrive in Canada Today

Queen Elizabeth II and Prince Philip Leave for 11-Day State Visit

LONDON (AP)—Queen Elizabeth II left today aboard an American built airliner for an 11-day state visit to Canada and the United States, her first since she succeeded her father, the late King George VI, five years ago.

The Queen and her husband, Prince Philip, are making the transatlantic flight aboard a specially-fitted DC7C of the British Overseas Airways Corp. Their plane took off at 3:09 a.m. e.d.t. Scheduled time for the crossing is 13 1/2 hours, with the estimated time of arrival at Ottawa, capital of Canada, set for 4:30 p.m. e.d.t.

A BOAC weather report forecast "generally pretty good" flying conditions over the Atlantic.

Far-ranging RAF Shackleton bombers fanned out over the Atlantic ahead of the royal plane as unofficial pathfinders. Canadian air force anti-submarine patrol planes were to take over escort duty on the second half of the flight.

Visited Washington in 1951
The visit is the second to North America by the Queen, and the third for her husband.

Elizabeth and Philip stopped briefly in Washington in 1951 during a three-week tour of Canada as princesses and the Duke of Edinburgh.

The royal couple will remain in Canada until Wednesday when they will leave for the United States. The U. S. itinerary includes visits to Jamestown and Williamsburg, Va., Washington, D. C., and New York. They will leave for home on Oct. 21.

During Elizabeth's absence, Britain will be technically ruled by a "council of state." It includes Princess Margaret, and Queen

Mother Elizabeth who has been suggested as the possible successor to Vincent Massey as Governor General of Canada.

British Prime Minister Harold Macmillan, U. S. Ambassador John Hay Whitney, Canadian High Commissioner George A. Drew and other dignitaries from the three countries wished the royal couple "goodspeed" at a farewell party in Buckingham Palace Friday night.

Phonics Prince Charles
The sherry party was organized at Elizabeth's special request because she felt there was no point in making the dignitaries get up at dawn to see her off.

Whitney left early. He had to catch a plane for Washington where he will join President Eisenhower and other U. S. officials welcoming Elizabeth next Thursday.

The queen found time between final checks of state papers to telephone Prince Charles, 8, at his boarding house school near London.

Charles has recovered from a mild attack of influenza.

Elizabeth told the young prince she probably will bring back a present from America if he behaves himself. Charles also was told that in case he feels lonely for "Mama and Papa" his sister, Princess Anne, 7, will join him for Sunday morning church services.

Air Force Has Six Rockets Ready For Space Tests
CHICAGO (AP)—The Air Force now has six rockets in readiness for a 4,000-mile flight into outer space, rocket expert Willy Ley said today.

The launchings, to be made from the Marshall Islands in the Pacific Ocean as soon as weather conditions are right, will be made at the rate of one a day, Ley said Friday.

A four-stage mechanism would project the rockets on their 4,000-mile trip. Addition of another stage which could carry the missile to the moon would present no great problem, he said.

The launchings, to be made from the Marshall Islands in the Pacific Ocean as soon as weather conditions are right, will be made at the rate of one a day, Ley said Friday.

A four-stage mechanism would project the rockets on their 4,000-mile trip. Addition of another stage which could carry the missile to the moon would present no great problem, he said.

Queen to Stay in Suite Used by Duke, Duchess of Windsor

NEW YORK (AP)—When Queen Elizabeth makes her one day visit to New York Oct. 21, she will stay in a hotel suite usually occupied by the Duke and Duchess of Windsor, it was disclosed today.

However, it is most unlikely that Elizabeth would see her uncle or his wife. The Windsors are in France for the rest of the year.

When they are in New York, the Windsors rent a suite in the Waldorf-Astoria Towers. When they're away, it's available to anyone else with the position and the money it requires.

Romulo's Son, Four Americans Plane Victims

MANILA (AP)—The Civil Aeronautics Administration launched an investigation today into reports that a plane carrying Carlos L. Romulo Jr., four Americans and a Philippine colonel exploded in mid-air before it crashed.

All aboard were killed when the plane cracked up and burned in Batangas Province Friday.

Romulo, 33, was the eldest son of Brig. Gen. Carlos P. Romulo, now Philippines ambassador to the United States. Romulo Sr. got the news at the United Nations in New York.

The other victims were Allan O'Gorman, a New York attorney and president of the Findlay Miller Timber Co.; Ralph L. Stover and Zane Duncan, officials of the same company; Harold Broad, president of the U. S. Plywood Corp.; and Col. P. I. Gunn, owner and pilot of the plane and general manager of the Philippine Air Development Co.

Romulo, a Manila attorney and businessman, and the others were on their way back to Manila from a trip to Lanao Province on Mindanao Island to inspect some timber land.

The plane ran into bad weather over Batangas Friday night.

Plans Completed For World Community Day

Plans for the World Community Day meeting were completed in the home of Miss Bess Pemberton, 218 West Lincoln street, recently, by the local committee. A feature of the meeting, which will be held in the Presbyterian church, Nov. 1 at 7 p. m., will be an address by Senator Glen Jones, whose subject will be "Bread, Freedom and Dignity."

Miss Jane Ratcliff, supervisor of music for the Harrisburg grade school, will play a flute solo and Don Miller, music director for the Dorrisville school will sing.

The church women of the city are asked to bring warm clothing, bedding and denim yard goods to the meeting. The National committee states that the need in Hungarian camps and Asia are still critical.

Newlyweds Visit Yvonne Dionne, Seriously Ill

MONTREAL (AP)—Quintuplet Yvonne Dionne, whose sister Annette is on her wedding trip in the Laurentian Mountains, was reportedly seriously ill today in a Montreal hospital.

The condition of the quint, hospitalized earlier in the week with Asian flu, took a turn for the worse Friday night only a few hours after Annette and her husband, German Allard were married.

The couple visited Yvonne before leaving on their honeymoon. She had been unable to attend their quiet wedding Friday.

Early today the quint's physician, Dr. Real Gelinas, said Yvonne was suffering from a "severe pulmonary ailment; her condition is serious but not yet desperate."

The doctor refused further comment and would not confirm or deny reports Yvonne had pneumonia or bronchitis.

Mr. and Mrs. Olivia Dionne, parents of the four living quintuplets, went with the newlyweds to visit Yvonne at Notre Dame L'Esperance Hospital but doctors cut short the visit for fear the excitement would overtax the girl in her weakened condition.

The Dionnes left with Yvonne the top of the wedding cake and some floral decorations from Notre Dame de Salette Church, where Annette and the 24-year-old businessman were married.

Both Marie and Cecile were at the wedding, Emile, the fifth, died in an epileptic seizure in 1954.

Aaron Elected To Board State Historical Group

NORMAL, Ill. (AP)—Alexander Summers, Mattoon, Friday was elected president of the Illinois State Historical Society at a meeting of the group held on the Illinois State Normal University campus here.

Other officers elected for the coming year were: Marvin H. Lyon Jr., Moline, senior vice president; Herman G. Nelson, Rockford, vice president; Wasson Lawrence, Fairfield, vice president; Ralph G. Newman, Oak Park, vice president; Phillip D. Sang, River Forest, vice president; Robert Sutton, Urbana, vice president; Charles Chaplin, Northfield, vice president; and Clyde Walton, state historian from Springfield, secretary-treasurer.

Named to the board of directors were Lewis E. Aaron, Harrisburg, Robert G. Bone, Normal; Richard Hagen, Galena; Mrs. Doris Leonard, Princeton, and Gilbert Twiss, Chicago.

Loring C. Merwin, publisher of the Bloomington Daily Pantagraph, spoke at the society's meeting.

Special Congress Session Unlikely, Knowland Says

Five Crewmen Saved

Navy Patrol Bomber Crashes in Icy North Pacific; Three Dead, Two Missing

ADAK, Aleutian Islands, Alaska (AP)—The search continued today for two crewmen missing after the crash of a Navy patrol bomber here Thursday night which killed three.

Five crewmen were pulled from icy northern Pacific waters by Navy crash patrols shortly after the P2B7 Neptune patrol bomber went down off this remote naval station 1,500 miles west of Anchorage.

Listed as dead were Lt. (J.G.) Delbert L. Brown, co-pilot, Louisville, Ky.; Lt. (J.G.) Jack C. Zenor, navigator, Alameda, Calif., and Neil W. Downing, a crewman, Rantoul, Ill.

Missing were Barth R. Avenell, Grand Rapids, Mich., and John E. Hardy, Birmingham, Ala.

The bomber, returning from a patrol, attempted to land during darkness but apparently struck the runway too hard. The nose landing gear was damaged, forcing the nose against the runway.

The pilot applied full throttle, and the plane became airborne near the end of the runway but settled into the water about 1,000 yards offshore.

Crash boat patrols reached the partially submerged craft almost instantly to drag survivors from the water.

Rescued were Commander Charles E. Snyder, of Alameda, Calif.; Billy J. Rodgers, Irvington, Calif.; Edward L. Sedney, Sacramento, Calif.; Melvin C. Peters, Pella, Iowa, and Richard D. Fairbanks, Iselin, N. J.

Denied by Defense Dep't

Probers Question New Secrecy Orders on Satellite Program

WASHINGTON (AP)—Congressional investigators have asked military officials if new secrecy orders have been clamped around the U. S. satellite program, it was learned today.

A spokesman for the House Government Information Subcommittee said the Army and Navy have been requested to submit "copies of any orders or order relating to discussion of the U. S. satellite."

The request was made following

report the Army had warned its missile experts to steer clear of any public controversy over America's failure to send up an artificial moon ahead of Russia. The Navy also is reported to have instructed its Vanguard satellite project scientists not to make any military evaluation of the satellite, particularly of the rocket which will be used to boost it into space.

"The Defense Department says no such orders have been issued," the spokesman told the United Press. "But we want to make doubly certain if there is anything to these reports and are asking the Army and Navy."

The committee headed by Rep. John E. Moss (D-Calif.) is already warring with the Pentagon and Air Force over making public more information about the missile test shots at Cape Canaveral, Fla.

Several administration critics, including some scientists, have demanded without success relaxation of some of the tight security around the missile program. Some have blamed curtailment of scientific information for Russia's apparently taking the lead in the missile race.

The advisory committee of the National Democratic Committee accused the administration Friday of maintaining "unnecessary and excessive secrecy." It said because of it Americans "do not know how the country stands today in relation to Russia on air-atomic power."

Frank Millspaugh, 67, died in his home in Equality at 4:55 p. m. Friday. Mr. Millspaugh is survived by three sons and three daughters. The body is in the care of the A. K. Moore funeral home in Equality and funeral plans are incomplete.

RALEIGH VILLAGE AND TOWNSHIP officials are cooperating in the construction of a new building to house offices of both governments. The new \$50,000 block building will be 42 feet by 32 feet. On the west side there will be a 16 x 20 office for township supervisor, a 9-10 12-10 room for interviewing assistance applicants and a similar sized storage room. The east side of the building will house a 15 x 20 voting room and a 19-8 x 25-8 village hall. There also are two rest rooms. The building is being constructed on the site of the old town house, which has been sold and moved. Finis Stevens of Raleigh has the general and plumbing contract, Frank Buck of Raleigh the electrical contract and Carrol Harbinson of Eldorado is installing the heating unit. The building will be heated by gas.

Billy Graham Advised Americans Would Panic If Knew 'Real Truth'

M I A M I (AP)—Evangelist Billy Graham told the Presbyterian Men's Convention Friday night a high Washington official informed him Americans would "panic" if they knew the truth about the "world crisis."

Graham did not name his source but told 8,000 delegates to the laymen's convention that "I'm only telling you what I have been told."

The Baptist evangelist said the "beep-beep" of the Russian satellite, as it circled the globe, is signalling a national crisis in which men should turn to prayer.

He said he interpreted the Russian satellite as meaning that "as a nation, we are once again dependent on God."

Actor Marlon Brando Weds

HOLLYWOOD (AP)—Film star Marlon Brando, often described as the movie colony's most eligible bachelor, was honeymooning today with Indian actress Anna Kashfi, 23, after their "surprise" marriage in the home of his aunt Friday.

The secret ceremony took place in the home of Mrs. Betty Lindmeyer in nearby Eagle Rock. Word of the quiet marriage, released by friends of Brando, promptly set flimdom agog.

Friends of the actor said the couple had known one another for two years. But Edward Dymtryk, director of Brando's latest film, "The Young Lions," said the marriage came as a "complete surprise" to him and other members of the company.

The 33-year-old Brando met Miss Kashfi casually at Metro-Goldwyn-Mayer studios and later called on her when she suffered a physical breakdown and was hospitalized.

Miss Kashfi is a native of Darjeeling, India, was educated in England and appeared briefly on the stage before being brought to the United States by Dymtryk.

Her first Hollywood appearance was in "Battle Hymn."

Rites Sunday for Creal Springs Man

The funeral of Claud Alsip, 71, of Creal Springs, who died in the Veterans hospital at Marion, early Friday morning, will be held at 2 p. m. Sunday in Webb church of the Tunnel Hill community. Burial will be in the Webb church cemetery. The body is in the care of the Cosby funeral home of Creal Springs and will lie in state at the family residence until the funeral.

Sister of Carrier Mills Woman Dies

Mrs. Bertha Matthews, Carrier Mills, has received word of the death of her sister, Mrs. Eva Gee, Friday, in her home at Parma, Mo. Mrs. Gee was formerly a resident of Carrier Mills.

Senate Leader Confers with Eisenhower

Says Discussion Covered Everything Since Congress Quit

WASHINGTON (AP)—Senate Republican Leader William F. Knowland said after a White House conference today that he sees "no likelihood" of a special session of Congress on the lagging U. S. missile and satellite programs.

Knowland was President Eisenhower's guest at a White House breakfast meeting that lasted almost an hour.

The California senator described the session as "just a review of domestic and foreign problems," but conceded that the missile and satellite programs were discussed.

The meeting, following two days of conferences between the President and his top administration aides, was held amid growing congressional demands for an investigation into the missile and satellite programs and a quick speed-up of both.

Knowland, who recently announced his candidacy for governor of California, said he has no intention of relinquishing his post as GOP leader in the Senate until his term expires at the end of 1958. He said he and the President did not discuss California politics.

Critics Urge Bigger Effort
He said the discussion covered "everything that has happened" including missile developments since Congress quit last August.

While the administration has been making a searching reappraisal of its missiles and rockets program, congressional critics have been urging a greater U. S. effort to surpass Russia in the field.

Sen. Alexander Wiley (R-Wis.) said the successful Soviet launching means "a much higher priority must now be assigned" to the U. S. satellite program. He said it also was obvious the country needs more scientists and technicians.

Sen. John C. Stennis (D-Miss.), a member of the Senate Armed Services Committee, said in Jackson, Miss., the missile program should be put under control of an "independent authority." He said it had been hampered from division of authority and effort.

Stennis agreed with Wiley that Congress must get the facts about the U. S. program. He urged his committee to go ahead with its projected investigation of the matter on an "intensive but strictly non-partisan basis."

To Rule Monday On Hoffa Election

WASHINGTON (AP)—Federal Judge F. Dickinson Letts has put off until Monday action on a request by 13 rank-and-file Teamsters for an injunction barring James R. Hoffa from becoming president of the big union.

Attorneys for the 13 New Yorkers told Letts Friday that Hoffa should not be allowed to assume his new office until the courts rule on the validity of his election at the Teamsters convention in Miami Beach, last week.

The attorneys drew up a draft of the requested order but the judge said he would not act on it until Monday. He invited the attorneys to return for another conference at that time.

The attorneys also disclosed they intend to ask the U. S. Court of Appeals to cite the entire union for contempt on grounds that the Teamsters violated its order that only valid delegates be permitted to vote in the election.

Their request for a court order against Hoffa also was directed against all other officers elected at the convention.

Two Runs by Fire Dep't

The fire department made two runs yesterday. At 10:30 a. m. a grass fire was extinguished in the 1100 block of Largent street. At 3:15 p. m. a run was made to the home of Homer Rogers, where there was a short in wiring. There was no damage at either place.

Soars 2,000 Miles

Thor Test a Success

CAPE CANAVERAL, Fla. (AP)—Informed sources reported today that Friday's firing of an Air Force Thor missile "exceeded all expectations" by soaring nearly 2,000 miles out over the Atlantic.

The sources said the big pencil shaped projectile dropped into the ocean "several hundred miles" beyond the intended target 1,500 miles away. They said the test—the second successful firing of a Thor in six attempts—was to see how far the missile could go.

As usual, however, the Air Force and Defense Department refused to comment on the success of the firing or even to confirm that the missile was a Thor.

Items of Agricultural Interest

This Week at
DIXON SPRINGS
University of Illinois Experiment Station

(A round-up of the week's
work, activities, and observa-
tions at the University of Illi-
nois Dixon Springs Experi-
ment Station near Robbs in
southern Illinois, prepared by
the Station's staff)

Hemorrhagic septicemia is a
frightening medical term for a
disease of cattle. Perhaps a less
alarming name for the same disease
is shipping fever. But whatever it
is called, cattle feeders recognize it
as a villainous thief of profits.

Rest
Shipping fever most often occurs
in cattle that have undergone stress
and strain from driving, hauling,
sorting, interrupted and infrequent
rest and changes in feed and man-
agement. All of these conditions
the common name, shipping fever.
The more inclement the weather,
the harder the cattle have been
driven, the greater the manage-
ment and environmental changes—
the greater the possibility of an
outbreak of the disease.

Just as you need rest after a
long journey, hard work or an
arduous experience, so do the new-
ly arrived feeders also need rest.
Clean, well-bedded quarters and
shelters providing protection
against rain or snow will help to
ward off shipping fever. Bright,
clean-smelling, mixed hay is a safe
and welcome feed for the new ar-
rivals. Because newly arrived
animals may drink too much, it is
wise to limit their water intake for
a few hours. In short, give them
mainly what they need most—com-
fort and rest.

Self-Service
Virgil and Edgar Bremer in Mas-
sac County have filled their barns
with hay. But they do not expect
to feed any of it to their beef cow
herd until February. The reason?
Their pastures are dotted with
cylindrical rolls of hay that were
baled this summer and left where
they fell. This winter the cows will
help themselves. The Bremers re-
port surprisingly little waste with
this method of feeding, and of
course the saving in labor is quite
apparent. Also, the manure is well
spread over the entire field. And,
you know, a fellow relieved of the
daily feeding chore might manage
a vacation or two.

Lee Gard and Joe Harris, Station
water spreaders, recently showed
us that corn irrigation can be a
pretty soft job. But, after strug-
gling this summer with a sprink-
ler system they had to move per-

iodically and carry irrigation pipe
through a jungle of cornstalks and
razor-sharp leaves, they had earned
and welcomed the change.
Lee and Joe moved their irriga-
tion pump and motor from a pond
and upland corn to a creek and
bottomland corn. They left the
portable sprinklers behind. Then
they pumped water from the creek
to the far end of the field and
into a large pipe laid at right
angles to and across the rows of
corn. From the large pipe, water
flowed slowly from several adjust-
able openings, one for each row,
down the corn rows and gently
back toward the creek. The small
amount of pumping power that
was required was amazing.

Farm Values Show Increase

WASHINGTON (UP)—The mar-
ket value of the nation's farms
jumped 8 per cent to a new record
high of \$112,400,000,000 in the year
ended last July 1, the Agriculture
Department reported today.

The value was expected to be
even greater for the late summer
and early fall months, the depart-
ment added in a farm real estate
report.

The 8 per cent climb was the
largest annual increase since the
year ended in mid-1951. Farm
values increased by 2 per cent or
more in 47 states, with the sharp-
est advances—averaging 12 per
cent—reported in the southeastern
states.

Farm land and building values
increased by 3 per cent between
last March 1 and July 1, the re-
port noted. This brought the
July 1 index of value per acre to
151 per cent of the 1947-49 aver-
age.

The report said the strength in
farm values was due to:

Generally favorable crop pros-
pects as of mid-1957.

Pressures to enlarge existing
farms.

Increased demand for poor
quality land in some areas. Farm-
ers and non-farmers want such
land to "deposit" in the soil bank
conservation reserve.

The "continued high level" of
non-farm business activity, which
has added to the demand for farm
land to be used as residential or
industrial property.

BIBLE THOUGHT FOR TODAY
I have lent him to the Lord, as
long as he liveth. I Samuel 1:27.

Hannah left a magnificent ex-
ample to be followed. It is not by
chance that Whos Who in America
listing the fifty thousand most
eminent Americans is replete with
the sons of ministers. Ten preach-
ers families have as many sons in
Whos Who as fifty thousand ordi-
nary poor families. These boys
were lent to the Lord.

SIU Country Column

By Albert Meyer
Dr. Walter J. Wills, agricultural
marketing specialist at Southern
Illinois University, says the first
half of 1958 likely will see several
minor weaknesses showing up in
the economy even though there is
a continued strong demand for
agricultural products. Most of the
demand, of course, comes from the
more than 66 million persons in the
United States who are working at
slightly higher weekly or monthly
pay rates. However, the rate of ex-
pansion in the year ahead is not
going to be as great as it was this
year.

A good foreign market for U.S.
farm products is expected for the
coming year, but Wills believes it
probably will be less than the re-
cord high of the past year. Confer-
ences among leaders of the Inter-
national Bank and Monetary Fund
indicate that many countries are
becoming concerned about a gold
shortage, and some economists feel
that various nations may take some
steps to reduce agricultural im-
ports. If they devalue their cur-
rency, a decrease in U. S. exports
of agricultural products may be
expected as the federal government
subsidizes them through various
available measures.

Just now seasonal weaknesses
are showing up for many agricul-
tural products. Here are a few ob-
servations from Wills on the gen-
eral outlook for farm products in
the months ahead.

The estimated 1957 corn crop of
3,060,000 bushels is 11 percent less
than the 1956 crop. Illinois pro-
duction is estimated at more than
one-fourth below a year ago, but
the amount of livestock on farms
has decreased so an adequate sup-
ply of feed is in prospect. Non-
compliance corn is being supported
at about \$1.10 per bushel. Wills
says corn prices at harvest time
will be under one dollar and in the
year ahead are not likely to go
above prices of the past year.

Large amounts of soft corn with
high moisture content in some
areas may further depress the
market for the next two or three
months.

The 1957 soybean crop outlook
indicates a larger production than
the record crop of 1956. Prices
may be under \$2.00 per bushel at
harvest but as soon as the season
advances will likely hold around
the support level of \$2.09 per bush-
el. Export demand may be some-
what lower than last year.

Except for the lower grades of
slaughter cattle, prices for beef
cattle may hold \$3.00 or \$4.00
above last year. The same may
apply to feeder cattle, but lower
grades of cattle likely will continue
weak to lower in prices. Feeding
margins for 1958 probably will not
be as favorable as in 1957.

Hog prices have declined from
their seasonal high. As marketings
increase the price will continue to
go lower but should be higher than
last year at least until December.
The September pig crop for the
Corn Belt states indicates a seven
percent increase in early spring
pigs for 1958. If this pattern holds
for later farrowings, hog prices
will be under considerable pressure
in the fall and winter of 1958.

Even though the number of dairy
cows is slightly lower, milk pro-
duction continues to run ahead of
last year. There is little prospect
for an improvement of milk prices
other than the seasonal advances.
Much of the increased production
continues to move into government
stocks to be sold at reduced prices
or donated to eligible users.

During the next three months
broiler prices will pay little more
than out-of-pocket production costs
because broiler chick placements
continue above a year ago. Turkey
production costs because broiler
chick placements continue above a
year ago. Turkey production is
five percent ahead of last year.
Storage stocks are heavy, too, so
turkey prices will be under heavy
pressure during the coming holiday
season. Egg price prospects are
brighter for the producer, likely
going much above the abnormally
low prices of last year because of
an 18 percent decline in the place-
ment of baby chicks for laying
flocks.

Wool prices are running about
30 percent above a year ago.

Midland Man
Earliest evidence of human life
yet found on the American contin-
ents was a skull unearthed near
Midland, Tex., and called Midland
Man. Evidence indicates the bones
are at least 12,000, and possibly
20,000, years old.

Your Garden—

Use Well-Balanced Plant Food For Satisfactory Bulb Growth

By Henry Pree
NARCISSUS, tulips and other
bulbs planted at this season require
a well-balanced plant food to in-
sure good growth and satisfactory
flowers next spring. This advice
applies also to established plant-
ings to increase their number and
quality in succeeding years.

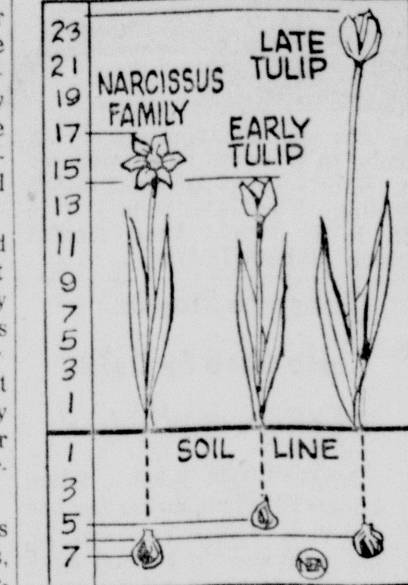

Experience has taught the Old
"gardener" that it is better to plant
deep than shallow. In the heavy
clay soils I would cover tulip bulbs
with six to seven inches, and nar-
cissus bulbs with seven to eight
inches of soil, while in light sandy
soil eight inches would be best for
tulips and 10 to 12 inches for nar-
cissus.

Incidentally, the word narcissus
includes the daffodils and jonquils,
two bulbs belonging to the nar-
cissus family. All bulbs thrive in
good well-drained garden soil
which has been prepared to a depth
of a foot or more.

Use a complete, balanced plant
food applied at the rate of a pint
for each 15 feet of trench. The
plant food, one with an analysis
of 4-12-4 because it is strong in
phosphorus, should be thoroughly
mixed with loose soil in the bottom
of the trench. Then cover with a
half inch to an inch of sand on
which the bulb should be placed.

Additional sand is scattered over
the bulbs and the trench filled up
with soil. Bulbs planted in individ-
ual holes are fed in the same man-
ner as advised for the trench, and
the equivalent to a teaspoon of a 4-12-4
fertilizer mixed thoroughly with
the loose soil in the bottom of the
hole, after which the mixture
should be covered with sand, and
the bulbs planted as described for
trench planting. Tulip bulbs should
be planted five to six inches apart
and narcissus eight to nine inches
apart, depending upon the variety.
Do not water after planting.

One wide-awake dealer in bulbs
adds a word of caution about bulb
sizes. He calls attention to the fact
that all Holland-grown bulbs are
graded and priced by the growers
according to size. The largest and
most perfect bulbs naturally sell
at higher prices in the bulb market
than do the smaller ones. Naturally,
too, the larger bulbs will produce

NARCISSUS and tulip bulbs
are planted before winter sets
in for spring blooming. Plant
bulbs deep to avoid killing
frost. Chart shows depth for
three varieties of spring bulbs.

The finest blooms in your garden,
there are three standard sizes,
12 centimeters and up, 11 centi-
meters, and 10 centimeters. Most
varieties will produce bulbs of 12
centimeters and up which means a
bulb an inch and three quarters
and more in diameter. Reliable
bulb dealers select only the top
size bulbs for which they ask a fair
price, so when you see bargain
prices quoted, you may be sure
they are for smaller grade bulbs.

NARCISSUS and tulip bulbs

in for spring blooming. Plant
bulbs deep to avoid killing
frost. Chart shows depth for
three varieties of spring bulbs.

The bat is the only mammal
that can fly. When in flight,
most of them utter a series of
very high-pitched sounds, too
high for the human ear to hear.
When near an obstacle, the
echoes from these sounds are
thrown back and are heard by
the bat in time to change its
course and avoid flying into
the obstacle.

SWEETIE PIE

Drive Started to Have Disease Free Dairy and Beef Cattle

Illinois farmers have opened a
drive toward having disease free
dairy and beef cattle. Twelve
northern and central Illinois coun-
ties have started the attack at the
local level to rid cattle of both
Brucellosis and tuberculosis.

The last General Assembly voted
to permit compulsory tests and
slaughter of cattle and action is
coming quickly following that
legislation.

Dr. Arthur K. Merriman, chief
state veterinarian, foresees no seri-
ous obstacles to the clean-up cam-
paign and he predicts some of the
counties will be qualified for
Brucellosis-free certification fairly
soon.

Several dairy counties should be
put on the "accredited" list within
four months, including Cook, Mc-
Henry, DeKalb, Stephenson, Lake,
Boone, Kendall and Winnebago.
Four other counties should be com-
pletely tested by late fall, Dr. Mer-
riman added. They are Macon,
Vermilion, Livingston and LaSalle.

The United States Department of
Agriculture is cooperating in the
cleanup by paying county and local
veterinarians to do the work. The
government also pays up to \$25
indemnity for any infected grade
animals slaughtered. It pays \$50
for a purebred animal which must
be slaughtered, and the state also
matches the amount.

A \$1.3 million state appropria-
tion which the General Assembly
approved last session is being used
to pay local practitioners and to pay
for the slaughtered reactors.

While owners of valuable "re-
actor" breeding animals will be
permitted to isolate and retain
them, they must keep these ani-
mals away from the herd on anoth-
er part of the farm.

Merriman said the "ring test"
may be used in certifying a herd
as accredited. This requires only
a test of milk from a dairy herd.
The requirement for a "blood test"
was removed by the last legisla-
ture's action.

Seven accredited states—Maine,
New Hampshire, North Carolina,
Washington, Wisconsin, Minnesota
and Delaware—have herds in
which infection is almost non-
existent.

Longest Parade
Longest military parade in Amer-
ican history is said to have been
the Grand Review of the Union
Armies on May 23-24, 1865. Troops
numbering 200,000 took two days
to pass in review before President
Johnson.

Pinay Tries to Form New Gov't

PARIS (UP)—The Communists hurled a hate campaign against Antoine Pinay today to sabotage his efforts to become France's next premier.

President Rene Coty picked Pinay Friday as his third choice to form a new government and pull France out of its 23rd crisis since World War II.

Pinay started making the traditional rounds of party and government leaders today to find out if he had enough support in the National Assembly to become premier. Observers doubted it.

The Communist newspaper Humanite appealed in a front-page editorial for "unity against Pinay."

The Reds are pushing for a negotiated peace with Algerian rebel representatives. Pinay's conservative-style party, Independent Republicans and Peasants of Social Action, is against it.

Jets Collide in Air; One Pilot Killed

ALBUQUERQUE, N. M. (UP)—Two Air Force F84F jet planes collided and exploded in the air during a heavy rainstorm Friday night, killing one of the pilots.

The Air Force said Lt. G. A. DeVorechak, based at O'Hare Field near Chicago, managed to bail out safely after the crash.

The other pilot, whose name was withheld, went down with the plane, officials said.

The jets were on the last leg of a flight from O'Hare to Luke AFB at Phoenix, Ariz. The pilots had taken off from Tinker AFB in Oklahoma City a few hours before the mishap.

Both planes fell to earth near Alameda, a suburb of Albuquerque.

Report to UN

Dag Warns Mid-East Peace Is Threatened by Lack of UNEF Funds

UNITED NATIONS, N. Y. (UP)—Secretary General Dag Hammarskjold warned today that the Middle East peace is threatened by a lack of funds for the United Nations Emergency Force.

In a 49-page report prepared for the General Assembly, Hammarskjold said the only thing preserving peace between Israel and Egypt is the 6,000-man international army which stands guard along the demarcation line between the two.

The line is vulnerable and "the quiet at any moment could be broken," he said.

Hammarskjold said U. N. member states have contributed only \$6,330,000 to UNEF since it was set up last December. He estimated the cost of operation to the end of this year at \$24,096,000. He asked the United Nations to contribute another \$6,500,000 to reimburse in part the governments which contributed troops.

He asked for an allowance of \$20,000,000 to maintain the force next year.

Thirty-two U. N. members have contributed funds so far, he said, but others, including the Soviet bloc, have refused to share the burden. Hammarskjold said all should pay.

The United States has pledged \$3,250,000 if other states will match it.

Sen. Glen Jones to Be World Community Day Speaker Nov. 1

Senator Glen O. Jones will be the evening speaker at World Community Day at the First Presbyterian church Nov. 1 instead of Mrs. Jones, as was stated in yesterday's Daily Register.

Gored to Death

ROCHESTER, Ill. (UP)—Albert A. Lamme, 58, Rochester, was gored to death Friday evening by a 2,200-pound bull on the Jack Goby farm two miles east of here.

Lamme was employed on the farm by Goby, who found the body about an hour after Lamme was seen entering the barn in which the bull was quartered.

Ava Gardner and Tyrone Power star in Ernest Hemingway's "The Sun Also Rises," 20th Century-Fox CinemaScope and color hit to show at the Grand Sunday, Monday and Tuesday.

Soil Conservation Board Sets Oct. 22 Date for Farming Tour

The board of directors of the Saline County Soil Conservation district, meeting Thursday night, set the afternoon of Tuesday, Oct. 22, for the Fall Conservation Farming tour.

The tour will get under way with an assembly at the Harrisburg city hall at 1:30 p. m. The farms of Homer Watson, Howard Wilson and Robert Miley in Galatia township will be visited in the order named.

Directors attending the Thursday night meeting were A. A. Gholson, Cecil Nelson, Carl Vance, Paul Halbersleben, Ernie Tate and R. L. Morris. Others present were Tom Morgan, work unit conserva-

Swiftest Bird
Fastest flying bird is the peregrine falcon, the American variety of which is the duck hawk. The bird has reported speeds of about 70 miles an hour.

tionist, and Clifford Holman, field man for the Division of Conservation, Illinois Department of Agriculture.

New Co-Operators

Accepted into the district were the following new co-operators: Otto Noelle, Bob F. Lane, Leslie Stinson, Dr. W. H. Walters, George Myers Jr., Lawrence Porter and Lowell Tison.

The directors studied a report made to them by Congressman Kenneth Gray concerning the status in congress of the proposed Saline River Drainage project.

Mr. Gray said he believes this project has a good chance of receiving a favorable vote in the House of Representatives during the early sessions of the next congress. The Soil Conservation district will make an effort to keep local people informed of the progress of the bill through its various legislative stages.

Report By Morgan

Mr. Morgan made his report on activities of the Soil Conservation staff during the month of September. Among activities reported were:

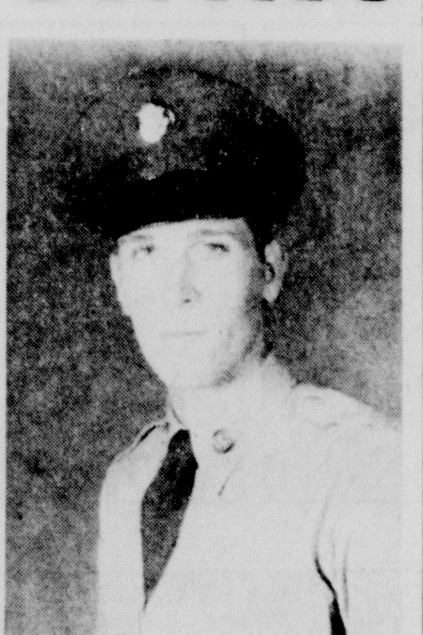

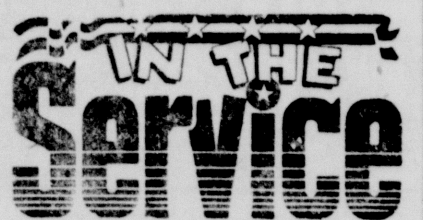

Mr. Morgan worked toward completion of a basic conservation farming plan with Arthur Evans, Kirk Burnett, Willard St. John and George Robertson.

A grass waterway was completed on the farm of Herbert Barger.

Drainage ditches were completed on the farms of Jess Carnett, Clarence Etienne Jr. and Lawrence Porter.

Farm ponds were dug on farms of W. O. Griffin and James Rich, Joe McPherson, Frank Genet, N. A. Thompson and R. L. Morris. Band seeding attachments owned by the district were loaned to several farmers for use in seeding pastures. Farmers using these attachments were Leslie Stinson, Willard Bramlet, Sherman Bramlet, Clarence Etienne Sr., Carl Vance and Alva Gholson.

A meeting was held with a group of farmers in the Gholson community at which time Alva Gholson and Tom Morgan discussed the district program and the assistance they could secure from the district in solving some of their drainage problems.

ROBERT LEE HILL, 18, son of Mr. and Mrs. Truman Hill, East Russell street, Carrier Mills, has completed eight weeks of Infantry basic training in the 2nd Training Regiment, Fort Gordon, Ga. He will be transferred to an active Army unit for advanced training.

Pvt. John F. Logsdon, son of Mr. and Mrs. Thomas O. Logsdon, Shawneetown, is receiving eight weeks of basic combat training under the Reserve Forces Act program at Fort Leonard Wood, Mo. Logsdon was graduated from Shawneetown Community high school in 1949 and attended Southern Illinois University.

Pvt. Carl D. Mitchell, son of Hal Mitchell, Galatia, recently completed an eight-week advanced medical aidman course conducted by the 1st Infantry Division at Fort Riley, Kan. Mitchell entered the Army last May and completed basic training at Fort Riley. He graduated from Galatia high school in 1956.

Third-Stage Rocket Flashes Over N. England

By JAMES RYAN
United Press Staff Correspondent
CAMBRIDGE, Mass. (UP)—The third-stage rocket of Soviet satellite Sputnik flashed over New England today, looking like a silver star to early risers.

An hour after the sightings scientists were still tabulating results, trying to determine whether the official observers also spotted the Red satellite itself.

At Operation Moonwatch headquarters atop the Smithsonian Astrophysical Observatory here, 30 early-rising viewers watched the Northeast sky through telescopes and by eye.

Five observers said they were sure they sighted the third-stage rocket, which boosted Sputnik hundreds of miles into the sky and then stayed aloft to keep it company on its 18,000-mile-an-hour trips around the world.

Another observer, Dr. Armand Spitz, coordinator of the "Moonwatch" operation, said he believed he saw not only the rocket, but also the satellite itself.

Most of the rocket sightings were reported about 5:18 a. m. c.d.t. approximately three minutes earlier than expected.

This reporter saw it for about 15 seconds in the sky. It looked much brighter than nearby stars and much brighter than any of the observers had expected.

"It was a yellowish white ball when I saw it," said Paul Valle, one of the Moonwatch crew.

As soon as he saw it he signalled, as did other observers, for a tape-recording machine to be turned on, and then gave a running description of what he saw.

Newspapers and radio stations reported "calls by the score" from persons trying to determine if the object they saw was Sputnik, a star, or a planet.

Ground Observer Corps teams also spent the dawn hours watching for the satellite and the rocket. Civil Defense officials ordered the move in an effort to aid scientists. Written reports were ordered submitted on any sightings.

WSIL to Present Classic Pinocchio Sunday 4:30 p. m.

One of the world's great children's classics will be brought to life Sunday, Oct. 13, at 4:30 p. m. when the story of "Pinocchio" is presented over Station WSIL.

According to Robert Keltner, manager of Rainbow's Rexall Drug store, the hour-long "spectacular" is guaranteed to delight kids from three to ninety-three. The effervescent Mickey Rooney is cast in the role of the lovable puppet, "Pinocchio," while versatile Walter Slezak portrays "Geppetto," the carpenter who creates "Pinocchio."

Other well-known stage, screen, TV and radio personalities in the cast include Fran Allison, Jerry Colonna, Stubby Kaye, Martyn Green and the dance team of Mata and Hari.

As local sponsor of the show, which the Rexall Drug company will simulcast throughout the nation over the NBC television and radio networks, Mr. Keltner states that the "Pinocchio" show will launch the Rexall one cent sale, opening the following morning. The six-day event will continue through Saturday, Oct. 19.

Ike 67 Monday

WASHINGTON (UP)—President Eisenhower has no particular plans for observance of his 67th birthday anniversary Monday. Press Secretary James C. Hagerty said the President would be in the White House Monday and he supposed there would be a family party.

Social and Personal Items

ENGAGED—Mr. and Mrs. Clyde Lavender, 330 South Main street, Harrisburg, are announcing the engagement of their daughter, Miss Joan Raenelle Lavender, 2192 Taylor Rd., Cleveland, Ohio, to Forrest Glenn Reeder, Portsmouth, Ohio. Miss Lavender is a graduate of the Shaw high school of Cleveland and is employed in the offices of the United Steel Workers of America. Mr. Reeder is the son of the late Mr. and Mrs. Robert Reeder, Athens, Ohio and is a field representative of the United Steel Workers of America, working out of the Portsmouth office. Plans for the wedding are indefinite.

Special Guests Attend

Esther Class Meeting

The Easter Sunday school class of the McKinley Avenue Baptist church met in the church dining room for the noon meal Wednesday. Special guests were Rev. and Mrs. J. D. McCarty and Billy and an evangelistic party.

During the afternoon meeting Mrs. Carrie Jackson led the opening prayer and Mrs. Patsy Gibbons gave the devotion, taking the scripture from Matt. 9:37. Other members attending were: Mrs. Lola Ridley, Mrs. Amy Reynolds, Mrs. Ida Wathen, Mrs. Sophia Alexander, Mrs. Helen McDonald, Mrs. Minnie Martin, Mrs. Bessie Davis, Mrs. Flo Thomas, Mrs. Lizzie Upchurch, Mrs. Dalton, Mrs. McElmurry and Mrs. Versa Hatterscheidt.

Calendar Of Meetings

Galatia Masonic lodge No. 684, A. F. and A. M., work in the third degree Monday 7 p. m. Members asked to be present. John Boyett, W. M.

The Union Association of Singers will meet in South America church, west of Harrisburg, at 1:30 p. m. Sunday. Guest singers will be the "Gospelaires," heard each Sunday morning from 8-8:30 a. m. over WCNT, Centralia.

The monthly fellowship meeting of the Church of the Living God, 11 Towle street, will be held Tuesday, Oct. 15. Everyone is cordially invited to attend.

The W.C.T.U. radio program will be heard at 2:30 p. m. Monday over WEBQ.

The County Convention of the W. C. T. U. will be held in the educational building of the Eldorado Methodist church Friday.

The Harrisburg Woman's club will meet in the club rooms of the library at 2 p. m. Monday. This is an invitational meeting and members are privileged to extend an invitation to their friends to

attend the Fashion Show, sponsored by My-on's. Mrs. John Schork will be the commentator and Mrs. Eli Lasersohn will be the chair man.

The V. F. W. Ladies' Auxiliary will meet at 7:30 p. m. Monday.

Murphy Thanks The Register for Red Cross Support

John R. Murphy, chapter chairman of the American Red Cross in Saline county, in a letter to The Daily Register thanks the newspaper for its support of Red Cross programs.

The letter:
"Mr. Curtis Small
"The Daily Register
"Harrisburg, Illinois
"Dear Mr. Small:

"This past week was National Newspaper Week so the members of the board of directors of the Saline County Chapter of the American Red Cross, feel that this is the ideal time to express our appreciation for the support and help you and your staff have given the Red Cross Programs.

"We want to thank you for your wonderful cooperation and service as it would be impossible to carry on the Red Cross programs without the help of our local newspapers. You are to be complimented for your contribution, not only to Red Cross, but in the entire field of public service.

"Your very truly,
"Chapter Chairman,
"John R. Murphy."

'Russian' Flu In Soviet Union

LONDON (UP)—It's the "Russian" flu in the Soviet Union.

A Moscow Radio broadcast said the Soviet Union had marshalled all of its medical resources to battle the current epidemic of "Russian" flu.

But the symptoms and the treatments were the same as those in the "Asian" flu which has plagued the rest of the world.

It said vaccine and serum are now being produced and distributed.

Births

In Memoriam
In loving memory of my son
Willie (Buster) Williams, who
passed away Oct. 12, 1937.
Safe in the arms of Jesus.
Safe in His gentle breast;
There by His love o'ershadowed,
Sweetly his soul does rest.
We shall meet and know each
other
When the trials of life are o'er;
We shall meet and know each oth-
er.
As we did in days of yore.
Sadly missed by his mother, Mrs.
Annie Williams, his brothers and
sister. *90-1

In Memoriam
In loving memory of Eddie Hol-
laway who passed away three
years ago today.
Wouldn't it be wonderful
To see his smile,
And have him back for a while,
I could be wrong for wanting him
so,
When the angels wanted him I
knew.
No, I wouldn't disturb his peace-
ful rest,
For I know above all, God knows
best.
So he called him to his home on
high,
but I will miss my loved one
Until the day I die.
Sadly missed by his wife, Essie
Hullaway. *90-1

'Moral Standards In a Church'

I Cor. 5:6-13; 6:17-20
GOLDEN TEXT: "Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price, therefore glorify God in your body. (I Cor. 6:19-20)

INTRODUCTION—During the Apostle Paul's day people were no different than people today. In the church at Corinth he found the same kind of people that one might find in church families in America today. One would find people, also, faced with the same kind of temptations.

Corinth, as you know, is in Greece, and it is not far from the great ancient city of Athens. This was the center of the world's culture in that day.

Many of the folks of that day wanted to separate the physical from the spiritual. They tried to say that whatever one did with the physical was alright, just as long as the spirit was right. There are many today who practice the same philosophy. This is not what the Bible teaches.

I PAUL CALLS FOR PURE LIVES (V. 6-8)

Here Paul goes back to the Old Testament Passover Feast for his example. Leaven is used as a type for sin. He says that just as a little leaven will leaven the whole lump, just so sin will effect the whole body. Therefore, just as God commanded that the Children of Israel eat only unleavened bread, just so, must His followers cast all sin out of their daily living. Unleavened bread is compared to clean, sinless lives.

II PAUL CALLS FOR GOOD MORAL LIVES (9-18)

Morality includes all of life. It does include the sex part of living along with all the rest. Paul speaks of this here. It seems that one of the leading members of the church had gotten out of hand in his sex relations. The other members seemed to be rather pleased at what was going on. Paul let them have "both barrels" at the same time, so to speak. He said that they should either get the condition corrected, or, cast the person from their midst.

The sex problem is with us in a great way today. Parents speak of it in whispers instead of facing it squarely. Young people everywhere are getting a distorted view of sex relations according to God's word. However, young people are led to believe that it is only for satisfaction of passions. Adults are at fault in such teachings.

Please note that verse 9 also takes into account such things as covetousness, extortioners, idolaters drunkards and railers. All of these have to do with immoral living.

III PAUL CALLS FOR SPIRIT-FILLED LIVES (V. 19-20)

When one becomes a Christian, he does so because the Holy Spirit comes convicting of sin. If one confesses his sins and trusts Jesus Christ as his own personal Savior, the Holy Spirit then comes into that heart to dwell forever and ever.

The body of the Christian becomes the temple of the Holy Spirit. Some folks make of their bodies pig sties. The things they do with their bodies, make it impossible for the Holy Spirit to come in and dwell. However, when one really takes Jesus into his life, the body is cleansed. The cleansed, by man matches the inward cleansing which Christ has done. It is always a thrill to see one who has been marred by sin to clean their bodies and lives up as a result of that inward cleansing by the Holy Spirit. "What He has done for others, He can do for you!"

First Methodist

W. L. Cummins, minister
Sunday school 9 a. m.; Otis Hickey, superintendent.
Morning worship 10:10. Sermon by minister. The nursery is open during the service.
Senior and Intermediate MYF 6 p. m.

Evening worship 7. Sermon by minister. Broadcast over WEBQ. There will be no midweek service Wednesday. Our church will join with other Methodist churches in the Sub-District in a service at the Dorris Heights church at 7:30 p. m.

THE BLACK SHEEP OF OUR FAMILY

When Johnny started Sunday School . . . the Devil thought he had his foot in the door.

The teachers must have been at their wit's end—but they never showed it. The Superintendent faced many a crisis—but always he was patient. The Pastor even smiled as he returned the confiscated pea-shooter. "You're not a bad shot, Johnny," he said!

Claire and I soon began to realize that Christians do turn the other cheek . . . in the Junior Department it's standard operating procedure.

TODAY, Johnny is a freshman in college. Every Sunday he attends the church of our faith near the campus. And, recently, he confided to me his ambitions:

He wants to become an engineer. Then, he wants to marry his childhood sweetheart, Jane. And as soon as they're settled, he wants to teach a class of "real gone" kids in the Junior Department. Now Claire and I realize what the Church means in the life of the "black sheep"—of your family or ours!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Presley Demand Is Rejected By Dean Martin

By WILLIAM EWALD
United Press Staff Correspondent
NEW YORK (AP)—The channel swim...

The mystic millionaire who will give away all his winnings when he begins competing on "The \$64,000 Question" next Tuesday is a Tennessee industrialist. His category—U. S. politics.

Elvis Presley, who has faded off the record charts, asked \$60,000 to \$75,000 from Dean Martin to appear on Martin's NBC-TV show. Martin said no thanks... "Kraft Theatre" coaxed Bert LaRue into its Nov. 13 offering on NBC-TV, "The Big Heist."

Crazy man: Frank Sinatra is

WEBQ Baptist Hour Schedule

Schedule for the Baptist Hour Association program over radio station WEBQ daily from 7 to 8 a. m. is as follows with the church and minister in charge

For any question about this schedule call or write Rev. Ernest Ammon, 113 West Elm street Harrisburg, Ill.

Oct. 13, Williamson Association Missionary George M. Wright.

Oct. 14, Rev. John B. Maulding, McLeansboro.

Oct. 15, Carrier Mills Baptist Rev. Bertie M. Smith.

Oct. 16, North America Baptist, Rev. Sam Motesinger.

Oct. 17, Macedonia Baptist, Rev. Paul Dann Jr.

Oct. 18, Harrisburg First Baptist, Rev. Joe Morman.

Oct. 19, Raleigh Baptist, Rev. Clifford Russell.

Oct. 20, Eldorado First Baptist, Rev. Eddie Hatfield.

filming his Christmas show for ABC-TV with Bing Crosby in color—but ABC-TV has no color facilities... "High Low," a summer replacement this year, will be back on NBC-TV in January.

Mike Todd's party next Thursday for the first birthday of "Around the World in 80 Days" (Subtitle: "The Son of Sputnik") won't be as costly as everyone seems to think. The rental of Madison Square Garden for that night will cost Todd only \$5,000. Ushers and other Garden help will take on another \$3,000 to \$4,000. CBS-TV will televise the giant free plug.

"Studio One" which got some good news this week when its sponsor renewed for two years, also got some bad news—the Air Force refused to cooperate on a planned drama, "Course for Collision," killing off the play. The CBS-TV show, incidentally, has its first three-partner in the works—a play based on the Manhattan Project.

The NBC-TV "Nat Cole" show has the ratings wobbles and looks like the first casualty of the season—the pool around NBC has it that the Arthur Murray show may be shoved into the breach.

Master Masons Invited to Centennial Celebration Of Carbondale Lodge

Shekinah Lodge No. 241, A. F. and A. M., at Carbondale will hold a centennial celebration on Oct. 19.

The Most Worshipful Grand Master will be officially received in Shekinah Lodge at 2:30 p. m. The temple is located on the third floor of the city hall building.

A motor caravan to points of interest in Southern Illinois has been arranged following the reception of the Grand Master.

Women will be special guests of Southern Illinois University in the afternoon where a tea and a tour of SIU facilities have been arranged. The centennial dinner will be held at 7 p. m. in the cafeteria at SIU followed by a program.

Murphysboro and West Frankfort Battle to 0-0 Tie; Fairfield Beats Mt. Vernon

By United Press
West Frankfort held the powerful Murphysboro Red Devils to a 0-0 tie Friday night in a top game on the Illinois prep football card. Murphysboro, top contender for the Southwest Egyptian Conference crown, had won four games in a row this season before colliding with the Red Birds in Friday's non-conference battle.

Also in southern Illinois, Centralia ran up a 48-0 verdict over Har-

risburg and Sparta whacked Chris-

topher 59-0. Anna beat Du Quoin 32-6, and Fairfield took Mount Vernon 13-0. Springfield Cathedral clinched a share of the Springfield city title by winning its fifth straight, 19-14, over Springfield Lanphier.

Another capital city team, Springfield High, lost to Decatur 19-12 in a Big 12 conference game. Jacksonville also notched its fifth straight, dumping Jerseyville 19-13. Alton held Collinsville to a 7-7 tie.

Once-beaten Urbana of the Big 12 Conference blanked Danville Schlarman 20-0 in a non-loop fray. Up north, DeKalb suffered its first defeat, going down before Dixon 20-0.

Belleville Cathedral pulled off a major upset in holding East St. Louis Lincoln to a 13-13 tie. Lincoln was rated one of the strongest teams in the state.

In the Eastern Illinois Conference race, Effingham jolted Paris 27-13. Defending Okaw Valley Conference champ Tuscola whipped Arthur 37-2.

In the Big Eight Conference, Rockford East and West both took it on the chin, Elgin beating West 14-7, and Joliet taking East 13-6.

Both Aurora schools in the conference won, East beating La Salle 25-0 and West edging Freeport 12-6. Rock Island Alleman thumped Moline 34-7, and Rock Falls whipped Princeton 39-19.

Onarga's Indians and Chillicothe both won their fifth in a row, Onarga beating Kempton 32-0, and Chillicothe turning back Metamora 25-7.

In the South Suburban loop race, Kankakee smacked Thornton Fractional 27-7 and Chicago Heights Bloom blanked Argo 33-0.

Lincoln edged Bloomington 6-0 in a Big 12 Conference scrap. In the Joliet area, Shelbyville pasted Hillsboro 27-14 and Taylorville dumped Vandalia 27-21.

Galesburg's Silver Streaks triumphed over Peoria Richwoods 28-14, and Peoria Woodruff scored a 27-12 decision over the Peoria Spalding Irish.

The Daily Register 30c a week by carrier boy.

Braves Will Not Stand Pat, But Few Changes

MILWAUKEE (AP)—The world champion Milwaukee Braves won't "stand pat" in 1958 but the changes will be few.

Haney put off contract talk a few days ago because of the World Series bedlam. He said rumors that he might quit because of illness were groundless.

"I feel great," said Haney. The only "problems"—not serious yet—are in the pitching corps and possibly in the outfield if Billy Bruton's injured knee doesn't hold up next spring.

Pitching May Need Help
If Bruton is unable to play, the Braves will probably give one of their farmhands—probably service-man Al Spangler—a job.

The pitching staff, headed by Warren Spahn and Lew Burdette, and including Bob Buhl, Bob Trowbridge, Don McMahon and Gene Conley, is not ready for the scrap pile. But it could use a little help.

The likes of Taylor Phillips and Dave Jolly probably will be in minors next season to make room for some of the prized rookie hurlers such as Carenlon Willey and Joey Jay, two of the reasons Wichita won the American Association pennant.

"There'll be new faces at spring camp," said Quinn, "but as of now I can't say who they'll replace."

City Back To Normal
As the Braves' brass got back down to earth, so did the city.

To return to normalcy was costly for the taxpayers. The city sanitation department estimated the cost at \$4,000 in cleaning up the tons of paper, beer cans and bottles that were strewn in the streets Thursday night in celebration of the Braves' victory.

Police arrests tripled, and one hospital nurse said the people it treated for minor cuts and bruises suffered in the crush of humanity "felt no pain."

A local psychiatrist summed up the whole celebration as a "mass orgy." He said if Milwaukee were really mature it would seek other releases for its emotions like "going to the opera and reading great books."

Cardinals Release Cooper, Dickson

ST. LOUIS (AP)—The St. Louis Cardinals today unconditionally released two of the oldest active players in the major leagues, Walker Cooper, 42, and Murry Dickson, 41.

General Manager Frank Lane said the move was necessary to make room for young players on the Cardinal rosters.

North Carolina Surprises Miami; Missouri Beats Southern Methodist

Based on the early returns, this could be another "upsetting" week end for college football's top dogs.
In three major games Friday night, North Carolina followed up its upset victory over Navy by surprising Miami, 20-13; Missouri turned back heavily favored Southern Methodist, 7-6, and three-time loser Georgia struck down Tulane, 13-6.
A crowd of 47,116 in the Orange Bowl watched Jim Tatum's Tarheels knock off 6-point favored Miami. North Carolina opened a 12-0 halftime lead on touchdowns by Jim Schuler and Emil Decanfis, then scored its decisive TD in the third quarter on a line plunge by Ron Marquette.
Miami made it close on second-half scores by John Varone and Bill Sandie. The favored Hurricanes twice carried to the Carolina 20 in the final three minutes but were turned back each time.
Missouri completed only one pass against Southern Methodist—a 10-yard flip from Phil Snowden to George Cramer—and it was good for a second-period touchdown. Charley Rash then added the decisive extra point. The Mustangs scored in the third quarter on a pass from Billy Dunn to Leroy Rudolph, but Dunn failed to convert.
Georgia, after successive defeats by Texas, Vanderbilt and Michigan, finally clicked against Tulane before an estimated 30,000 fans in the Sugar Bowl. Jimmy Orr turned in the Bulldogs' winning touchdown on a nine-yard burst on the first play of the fourth quarter.
Halfback Mike Sommer's two touchdowns helped George Washington upset the Air Force Academy 20-0, before 12,000 spectators including President Eisenhower, at Washington and the rushing of Frank Deprete carried Wofford to a 34-0 victory over The Citadel.
In Saturday's key games, Army and Notre Dame renew their football rivalry at Philadelphia, Michigan and Michigan State crack heads in their golden anniversary game at Ann Arbor, and longtime foes Oklahoma and Texas meet in the Cotton Bowl at Dallas.

Eagles 61, Norris City 0

Fifth Victory of Season For Eldorado and Third Straight Conference Win

Life for the Eldorado football team and fans continues to be just one big round of touchdowns.
Friday night the unbeaten Eagles rolled to a 61-0 victory over Norris City for victory number five for the season and the third consecutive decision in Southern Illinois conference play.

Eldorado's Eagles, lacking the fire and spirit that marked earlier games this season and obviously playing "under wraps" for the benefit of scouts, raced to a big 40-0 halftime lead and coasted thru the last two quarters.

Only once did the Eagles come to life. Midway in the fourth quarter Norris City threatened to score a fine 2-yard run by Mayberry speedily halback and a penalty moved the ball to within one-yard of Eldorado's goal.

Norris City pulled its 340-pound

tackle, Jerry Thurmond, to the fullback spot and he failed to score in two tries. Two other attempts also failed and Eldorado's record of being unscored on in its league was not broken.

Feuquay Scores Four TD's
The Eagles also suffered heavily in the penalty department, being set back for 91 yards and lost four TDs in the process.

"Doc" Feuquay, leading scorer and candidate for all-state honors, scored four TDs, one in each quarter. J. Rains and Gary Reasons, alternating at fullback, each scored, Woods and Baugher, ends, caught passes for TDs and Pool the center, intercepted a pass and ran for a score. Fowler had five PATs, Justice and McCallister one each.

The Eagles came up with an "eye-popper" as the half ended,

five players handling the ball on wide-open passing before a 40-yard aerial hit the target in the end zone. But it was strictly for the benefit of the fans as the play was nullified when a personal foul was called against an Eldorado lineman. Three other TDs were voided—one a 55-yard run by Feuquay, a 35-yard pass interception by Woods and a 40-yard Justice-to-Woods pass.

But there were nine that counted.
At West Frankfort Next
Feuquay scored on the fifth play of the game on a 6-yard run and Fowler converted. This play was set up by a fumble recovery by Mike McMahon.

The second score came on a Justice-to-Woods pass and the third on a Justice-to-Baugher pass. Fowler again converted after the third TD.

As the second period started Reasons broke loose for 73 yards and a TD and Justice ran for the PAT. Feuquay went 21 yards and Fowler converted and Pool closed out the quarter's scoring by intercepting a pass and galloping 38 yards

In the third quarter Rains ran 14 yards for a score and McCallister ran for the point. Feuquay got his third on a 31-yard run and Fowler kicked the PAT.

Only score of the fourth quarter was a 1-yarder by Feuquay and again Fowler converted.

Next Friday Eldorado again invades the South Seven conference, travelling to West Frankfort.

Starting lineups — Eldorado: Woods and Baugher ends, Goodley and McMahon tackles, Laffoon and Holman guards, Pool center, Justice, Fowler, Feuquay and Rains backs and all the varsity squad saw action; Norris City: Davis and Gerdes ends, Thurman and DeLap tackles, Preston and Douglas guards, Whetsell center, Laffoon, Mayberry, Healey and Adams backs.

Officials: Reed, Bone Gap; Monday, Benton; DeWitt, Mt. Vernon

Logart Winner Over Joe Miceli

DETROIT (AP)—Cuban Isaac Logart today looked forward to a spot in the eliminations for the vacant welterweight title after easily disposing of "one-armed" Joe Miceli here Friday night.

"The fight went just the way we planned it," the No. 2 ranked contender said. "I didn't have any trouble with him."

Miceli did have Logart in trouble, however, in the second round of their 10-round nationally-televised bout. The 25-year-old New Yorker drove Logart against the ropes with a furious combination of short lefts and rights.

Logart covered up expertly after the barrage, rode out the brief storm, and didn't let Miceli get another such golden opportunity.

Arrested

Harold Parks of Harrisburg today was charged with driving while intoxicated and he and his two companions were placed in the city jail following their arrest by state police. They were arrested this morning at Route 45 and Church streets by State Policemen Roy A. Lane and Everett Estes.

Locals' Running Attack In Reverse Gear--Gain 91 Yards But Lose 89

The Harrisburg Bull Dogs last night were not able to contain the Centralia attack in any manner whatsoever and bowed, 48-0, in a South Seven conference football game played at the Orphans' home field.

And the locals produced a running attack that was in reverse gear as much as forward, the Bull Dogs making but a net two yards rushing. The total running yardage was 91 forward and 89 lost.

In passing the locals were much better, connecting with six out of seven for 62 yards, making the total from scrimmage 64 yards. The first down comparison was respectable, too, Harrisburg making six to eight for Centralia. But the score was still 48-0.

The Centralia boys did just about as they pleased during all of the chilly night. At times holes in the line wide enough for the big McCormick bus, on which the boys take their trips, to plow through without touching a shoulder pad let Centralia backs go and go and go. And many times the locals simply let the Orphan carriers outrun them.

Centralia piled up 357 yards rushing and 32 passing for a 389 total from scrimmage. Two out of four passes were completed.

Penalties were few, each team getting two five yard deficits run off against it.

First two times Centralia had the ball from scrimmage fleet Orphan backs ran for touchdowns. Harrisburg took the first kickoff and lost 10 yards to the seven on three plays. Ira Logan punted to the H-32 and then halfback L. Carter streaked the distance to score.

Next time Harrisburg got the ball and punted Mickey Steptoe took the ball on the H-42 and raced to the 11 before he was run out. Then on the first play from scrimmage Larry Stonecipher ran the remaining 11 into the end zone.

It was quick, but the ball game was over. In this same quarter Steptoe ran 21 yards to a touchdown and the period ended 20-0. The second period saw two more tallies as Carter ran eight yards into the end zone and Linder raced 63 yards into pay dirt to make the count 34-0.

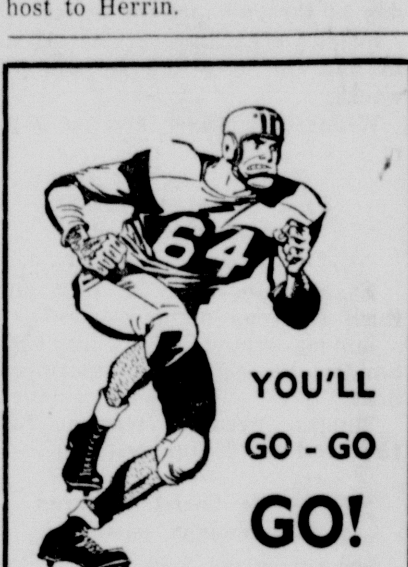

The third quarter saw Linder pass 11 yards to Clay for a touchdown and the final tally came in the fourth period when Clay ran 64 yards.

Bob Hight missed his first extra point try, then place-kicked six in a row.

Harrisburg started Ira Logan and Don Pickford at ends, Jack Simpson and Ron Maynard at tackles, Gary Aldridge and Bill Endsley at guards, Allen Buchanan at center, Ray Hassett at quarterback, Bill Yates and Mickey Stone at halfbacks and Ed Price at fullback. Hassett injured a bad knee early in the game and could not play any more, Gary Aldridge moving to quarterback and Darrell Biggs into the line. Also playing were Darrell Duke, Wendell Fisher, Carl Fleming, Gary Leverett and Harold Beal.

Next week Harrisburg will be host to Herrin.

YOUNG MEN A Career Opportunity

Limerick's expansion program has created several openings which must be filled immediately!

If you are willing to work for advancement to a management position and are between the ages of 21 and 30 with a high school education, you may qualify as a Limerick Career Trainee.

In just 18 months Limerick's Management Training Program can qualify you to manage one of more than 100 branch offices the company operates. While training, you'll enjoy all the benefits offered to Limerick Career Trainees:

- Annual Bonus
- Better than average income
- Profit Sharing Plan
- Paid Vacations
- Complete Insurance Program
- Opportunity for Advancement

No experience is necessary. We will train you. Apply NOW to...
